

Dear Prospective Volunteers,

On behalf of the 2010 Frys.com Open Tournament Staff we would like to invite you to come be a part of the PGA TOUR's first Silicon Valley event. This marks the sixth PGA TOUR tournament hosted by San Jose-based Fry's Electronics, but the first in their home town. We are thrilled to be here and look forward to working with the community. Over the past five years the tournament has raised over \$2.2 million dollars for charity and with your help we will help that number grow.

To reserve your place as a 2010 Frys.com Open volunteer please fill out the application and waiver form enclosed and return to Kristy Manas at the noted address with the required minimum donation of \$35. If you are interested in taking on more responsibility by becoming one of our committee chairman please note that on the application.

Please read the following:
